

SAUMYA SHAH

Experienced Project Manager | IT | Leadership

📞 +91 70698 02747 @saumyashahwork09@gmail.com 🔗 [linkedin.com](#) 📍 Ahmedabad,Gujarat

SUMMARY

I am a skilled developer specializing in Python, Django, JavaScript, HTML, CSS, and Bootstrap, with expertise in web development and AI-driven solutions. Proficient in Power BI, Streamlit, and NLP, I have worked on innovative projects, including an AI-powered resume screener. With a strong foundation in probability, statistics, and algorithm design, I excel in building intelligent, data-driven applications that optimize performance and efficiency.

EXPERIENCE (PROJECTS)

AI&NLP Based Projects 📍 Ahmedabad, India

- **ASKit** – Built with Python, Streamlit, and Hugging Face API.
- **Simple Chatbot** – Developed using Python and NLP techniques.
- **Excel to Dashboard** – Uses Power BI/Streamlit for visualization.
- **Stock Dashboard** – Built with Python and financial data APIs for real-time analysis.

E-commerce Website 📍 Ahmedabad, India

- A multi-vendor e-commerce platform built using Python, Django, HTML, CSS, and JavaScript. It allows multiple sellers to list and manage their products, providing a seamless shopping experience for users. Features include secure authentication, product categorization, order management, and a responsive UI for an enhanced user experience.

Plant Diseases Detection 📍 Ahmedabad, India

- An AI-powered application built using Python and Streamlit that detects plant diseases from uploaded images. It utilizes a trained machine learning algorithm to analyze the image and provide accurate disease identification, helping farmers and gardeners take timely action for crop health.

HelpHandHub 📍 Ahmedabad, India

- A Software-as-a-Social-Service (SaaS) platform that connects donors with NGOs. It allows individuals to donate used or new products, while NGOs can request specific items based on their needs. Built to promote resource sharing and social welfare, the platform ensures seamless interaction between donors and organizations

EDUCATION

Bachelor of Science in Information Technology
[GLS University](#) 📅 2021 - 2024 📍 Ahmedabad, India

Master of Computer Applications
[Nirma University](#) 📅 2024 - 2026 📍 Ahmedabad, India

TECHNICAL SKILLS:

| | | |
|---------------|------------|------|
| Python | JavaScript | Dj |
| HTML | Bootstrap | Stre |
| SQLite3 | Power BI | Git |
| NLP & AI APIs | | |

STRENGTHS

- 🏆 **Creative Problem S**
Utilize creative solution challenges, evident in t in project delivery effici
- ★ **Strong Leadership**
Experienced in leading teams, resulting in high project execution.
- 💎 **Efficient Resource**
Spearheaded the reorg; resource allocation in p in a 15% cost reduction
